FAQs

What can I tell my guests about the UP & Away Charity Gala?

Our fun-filled Gala will include:

- a fabulous dinner
- both silent and live auctions
- Brand-new golf chip challenge
- a signature balloon raffle
- a late-night piano lounge

Where's my Gala ticket?

Our event is ticket-less and instead, will have a list of guest names at the check-in table upon arrival.

What is the dress code?

Cocktail attire is appropriate.

Where can I park?

The Calgary TELUS Convention Centre's central location makes it easy to find and drive to, with many nearby parking lots and parkades. The preferred parkade is secured, heated and underground, located at 727 1 Street SE (CPA Lot 60 Convention Centre Parkade) You'll find automated pay machines in the elevator lobby, from which you can then head up to the main level of the CTCC.

Someone at my table has a food allergy. What should I do?

we sent out an email confirming guest names and dietary restrictions. If you have not received it or have not replied, please email jennifer.paulsen@kindred.ca by May 1, 2023! Event staff will be made aware of who has a dietary restriction or allergy.

What if I have changes to my guest list?

Please email jennifer.paulsen@kindred.ca with the updated name(s) and any dietary restrictions for any new guest. Please let your new guest know to mention your name or company when they arrive. We'll do the rest.

When will I receive my tax receipt?

Following the UP & Away Charity Gala, you will receive both tax and non-tax receipts for your table/tickets. A portion of your tickets are tax deductible, and a portion non-tax deductible. As per Canada Revenue Agency regulations, we are unable to provide this to you until after the event. In previous years, approximately half of the cost of the ticket was tax deductible.

Any other questions?
