

3B BOOST

babies • basics • back to school

A boost is an act that brings help or encouragement and by participating in our 3B Boost campaign you can provide a boost to those in need.

From August 28-September 17 you can help stock our shelves with items that our community desperately needs. Will you help us restock? We've organized these needs into three BIG categories: babies, basics and back to school.

At Kindred we,

- invest in the special bond between children and those that care for them,
- we provide road maps toward healing when essential relationships are ruptured,
- and we understand that accessing timely mental health support can inspire confidence with self and others.
